Logotipos variables

Cada cuadrado solo puede contener un elemento.

Este sera el logotipo principal.

La variación es aleatoria siempre con el condicionante de que esta tenga relación con Onda cero.

Los colores del logo siempre serán el gris y el verde. Pudiente utilizarse juntos o por separado.

El area de respeto se creará a través del grosor de la circunferencia. Este podrá ser doble si fuera necesario.

Con este area se consigue que la forma siempre esté incrita en un cuadrado.
